

## Divorce Hearing

-She spends the whole day watching the Shoes and Hair Channel.

-And he “works”-so called.

-House a mess.

-He’d lift a finger?

-We moved from the old house because it got full of shoes. We can’t sell it unless we clean it out, and it’s like they’re reproducing in there!

-Creative Writing! And he’s a sex brute! With enough kinks for a dissertation in abnormal psych!

-There’s no sex. How could that compete with shoes?

-And FOOT-ball! You’d think THAT was the world.

-Instead of her HAIR!

Judge: I’ve heard enough. Divorce granted on basis of incompatibility. Let the attorneys work out the financials and have a copy on my desk inside a week. Then I sign off, and I do mean SIGN OFF!
